Kensington

Guardian® 8-Outlet Surge Protector

K38218NA

Product Description

Trust Kensington to provide reliable surge protection for your valuable electronics like laptops, TVs and printers. With a 6-foot cord, the Guardian 8-Outlet Premium Surge Protector provides a decent amount of room to plug in away from the wall outlet. Your outlet capacity expands with eight adapter-style plugs available on the power strip, with 1080 joules of surge dissipation to protect your devices from damaging spikes. A green indicator light lets you know you're protected and there's also a $10,000 equipment warranty.

Features

- Safeguard computer and equipment with 1080 joules of surge protection
- Room enough to easily accommodate up to eight adapter-style plugs
- $10,000 equipment warranty against damage from surges
- 6-foot power cord puts surge protection where it´s needed
- Indicator monitors the surge protector to ensure full protection
- Reliability ensured with UL and CSA certifications and limited lifetime product warranty
